

Words From Our Outreach & Worship Director

I believe this is the time for signs and wonders in God's church today. God continues to reveal himself to us as a Living God. In the past few months, the Lord has done many amazing things! Whether it is in our Montreal, Toronto, Pickering, Cambridge Mission or whether it is across the World, God moves greatly. We have seen many people come to know Jesus, not only as a Saviour, but as a father, a healer, and more! We see God removing the religion aspect of Christianity as he places the core value of relationship with Jesus as the centre! This is only the beginning, He is just getting started.

PRAYER REQUEST:

Many Arabic Speaking people and Muslim people are coming to know Jesus as the LORD and Saviour. So we ask that you join us in praying for the following:

- ▶ For Wisdom & power in our interactions with the people and that the LORD may open the eyes & the ears of many more people.
- ▶ For financial support for LINC ministry seeing that we travel around 2000 Km every week to cover LINC ministry locations in the GTA, the Tricities (Cambridge - Kitchener- Waterloo), and Montreal.
- ▶ Protection and Strength to fulfill our wide scale mission field .
- ▶ Our media programs (A journey to Know the True God) which is viewed all over the Middle Eastern Regions. We reach 150 million souls through this TV program and enlighten many souls through the teachings of comparisons between the message of the Gospel and the Islamic message. During the next year, we need to produce 48 episodes, 28 minutes each, which is at the value of \$700 per episode.

The ARK @ LInC

The Ark is to reach out to the people who have been enduring the effects of the war and persecution in the Middle East and to have them sheltered here in Canada to experience a new life in a safe community. We felt that God has placed a call on us to serve him through the families who have had no hope abroad to come to Canada and experience the real fullness of life that God had intended for them. We are looking to sponsor more and more families; to have them settled into their new homes, and to give them access to various opportunities that will guide them along the way.

Currently, we have had the blessing of receiving 4 families and are near to the arrival of our 5th family. Now, we are focusing on the bringing of our 6th family. We found that our 6th family is in an immediate need of assistance departing from a troubling and difficult situation. This family, due to their new belief in Jesus, are finding themselves coming into dangerous circumstances. Therefore, the process in which we sponsor a family is in need of immediate attention.

Goal \$30,000

At Life in Christ Ministry, we have had the pleasure of experiencing the goodness of God in all corners. God has expanded our vision and mission to reach out to people not only here in Canada, but throughout the world. We've been driven to reach new goals and destinations and the Lord has greatly loved on us through this journey. In this season, God has put a weight on our hearts to love people as he did. Words From Our Founder & President

You may have noticed that the Holy Spirit is beginning a movement in the church today. There has been a release of healing and miracles in everything the Lord puts his hand to. God has introduced something new to us. We are happy to announce that a new location has been added to our LInC family in

MONTREAL

Some time ago we had begun interceding for the purpose that God would awaken the Church in Canada. Through this journey, we felt that we needed to do a mission out in Laval, Quebec. So we sent out a staff member to pave the way. During his mission last July, he visited three families and shared the gospel with them. Since then, we have seen healing and miracles continuously. Most of those who attend from Morocco ; Lebanon ; Syria and Egypt. We thank God that in September, we held our first conference

God has blessed us tremendously with **The Ark**. We are ecstatic to see the expansion of The Ark as we see the needs of the families being met. We reached a mark of 24K out of a 30K Goal for the next family arriving! We're on our way!

We thank God because this year has been such a blessing to Life In Christ Ministry. We pray that we will get enough support to send a full-time missionary to the Tri-cities to begin an outreach among Arabic-speaking people and to those

who have never heard the gospel. All contributions made to Life in Christ Ministry play a large role in our kingdom-building mission. We had many attendees from Syria, Morocco, Egypt, Palestine, Israel, Lebanon, Iraq and more.
